Kansas' premier R/C Racing facility is going *NITRO!* Hi-Performance Hobbies has already proven its race program in electric, now we're adding the smell of *NITRO* into the mix. Our new outdoor off-road gas track measures 115 X 90 with high bite dirt. To celebrate our new track we are holding our first annual 2005 Nitro Knockout event. Hutch is the prime location to bring the best R/C talent from all over the Midwest to do battle in the Salt City. Indoor pits are available, if you want to pit outside bring your own extension cords, tables and shade. For more information you can stop by www.hphobbies.com or call Hi-Performance Hobbies at (620) 665-6633.
